

## Job Posting/Research Assistant

**Position Title:** Research Assistant

**Hiring Unit:** Douglas Hospital Research Center

**Supervisor:** Myra Piat, PhD

**Work Location:** Douglas Mental Health University Institute – Research Center,  
91 Hickson, Verdun, QC

**Hours/week:** 14 hours/week, Mon-Fri

**Hourly wage:** In conformity with Douglas Institute Research Center standards, the hourly wage will commensurate with experience and education.

**Planned Start Date:** Immediately

**Deadline to apply:** May 16<sup>th</sup> 2021

**Project Overview:** A 2-year qualitative exploratory study research project funded by CHIR with the aim to understand the “lived experience” of facilitation in implementing Canada’s mental health recovery guidelines. An output of this research will be the production of a Guide for Facilitators. The project’s Principal Investigator is Myra Piat (<http://douglas.research.mcgill.ca/myra-piat>).

**Job Description:** The selected candidate will participate as a member of Dr. Piat’s research team. S/he will: conduct qualitative interviews (individual and group) with study participants from multiple stakeholder groups (e.g. service users, managers, etc); conduct data analysis and data synthesis. S/he will assist in administrative aspects of the research; knowledge translation activities and preparation of reports and articles. The work will be conducted remotely. The candidate should be flexible in terms of time schedule as study participants and research members are located in various time zones across Canada.

### **Job Requirements:**

- Master degree or PhD student in health/ social sciences (psychiatry, social work, nursing, occupational therapy, psychology, public health, sociology).
- Ability to speak, read, and write fluently in English
- Ability to speak and read in French
- Research experience, preferably in mental health
- Knowledge of qualitative research methods
- Knowledge of mental health recovery is an asset
- Comfortable using software – EndNote, Office (e.g. Word, Excel, Power Point), NVIVO and online videoconferencing platforms
- Excellent written and communication skills

- Motivated and able to work independently, and in a team in a deadline-oriented environment.

### **How to apply**

Applicants are invited to email their cover letter outlining their interest and résumé as a single (Word or PDF) attachment to: Dr. Myra Piat [myra.piat@douglas.mcgill.ca](mailto:myra.piat@douglas.mcgill.ca)

### **Note**

We thank all applicants. Only selected candidates will be contacted.
